National Electronic Attachment, Inc. Signs Agreement with Apex EDI, Inc.

Atlanta, Georgia Apex EDI, Inc. (AEI) of Utah announced today that they have signed an Exclusive Agreement with National Electronic Attachment (NEA) of Atlanta, GA. NEA will begin accepting dental electronic attachments transmitted to NEA's web site from AEI electronic claim providers using NEA's FastAttach system.

FastAttach enables dental offices to transmit dental attachments (x-rays, perio charts, intra-oral pictures, narratives and EOB's), via the Internet, to NEA's repository where payors are able to view them, in support of electronic claims. For dental offices, FastAttach accelerates claim processing and eliminates the need to duplicate and mail x-rays.

"Apex EDI is excited to announce that it will partner with NEA in the area of electronic attachments. We are interested in adding this service for our dental electronic claims clients," states Sheldon Miner, President of Apex EDI.

"NEA is certainly pleased to work with Apex and we look forward to bringing the attachment phase to their electronic claims providers," stated Tom Hughes, CEO of NEA.

NEA, the leader in Internet solutions for the dental industry, offers systems designed to make the process of insurance submissions and processing as easy as possible for the Patient, the Dental Office and the Insurance Payor.
