

**National Electronic Attachment, Inc. to Offer Electronic Dental Attachments
to
New Electronic Attachment Payors**

Atlanta – MAY 29, 2009– National Electronic Attachment, Inc. (NEA) announced today that the following new Payors will begin to accept electronically transmitted attachments from dental providers via *FastAttach™*. These Payors have joined NEA’s list of Dental Electronic attachment Payors. This will allow dentists to send electronic attachments to NEA’s web site for the following:

Atlantic Dental-Commercial

Atlantic Dental-Medicaid

Blue Cross, Idaho

CareFirst Blue Choice - DC

CareFirst Blue Cross/Blue Shield-MD

Charterd Medicaid-EPSTD

DC Healthcare Alliance-Charterd

DC Healthcare Alliance-HealthRight

DC Healthy Smiles

HealthRight Medicaid (EPSDT)

Health Services for Children with Special Needs

Solstice Benefits, Inc.

The Dental Network

VA Project Hero

NEA’s *FastAttach™* system enables dental offices to transmit dental attachments – including x-rays, perio charts, intra-oral pictures and other documents required to process claims – to NEA’s repository, where Payors will be able to view them. *FastAttach™* speeds up processing and eliminates the cost of duplicating and mailing x-rays or hard-copy documents.

“Electronic attachments through *FastAttach™* streamline the process for dentists who treat our client’s members,” said David Fincher, Vice President of Dental at NEA. “Adopting this technology is a nice fit with our ongoing commitment to the dental community to enhance our dental product offerings and eliminate paper processing. As more insurance Payors quit mailing back attachments, the easy way for the dental office to handle this is to send attachments electronically.”

“We’re pleased to work with these outstanding Payors on electronic attachments, and we look forward to the opportunity to register their providers,” said Thomas Hughes, CEO of NEA.
