Delta Dental of Minnesota Signs Agreement With National Electronic Attachment, Inc. To Begin Receiving Electronic Attachments via *FastAttach*™

Atlanta, GA, Minneapolis, MN—July 15, 2009. National Electronic Attachment, Inc. (NEA) announced today it has signed an agreement with Delta Dental of Minnesota that will let providers send electronic attachments to NEA's Web site for Delta Dental of Minnesota.

NEA's *FastAttach*™ system enables healthcare offices to transmit dental and medical attachments (x-rays, perio charts, Doctor's notes, lab reports, and narratives) to NEA's repository, where Delta Dental of Minnesota will be able to view them. *FastAttach*™ speeds up processing and eliminates the cost of duplicating and mailing x-rays or hard-copy documents.

According to Delta Dental of Minnesota, its providers can benefit from NEA's streamlined process.

"We are very glad that Delta Dental of Minnesota chose NEA as their vendor for electronic attachments and we look forward to the opportunity to register their providers," stated Thomas Hughes, CEO of NEA. "We are very familiar with this fine company and are pleased to be their vendor for attachments."

Delta Dental of Minnesota serves more members from Minnesota-based groups (3.4 million members in 8,400 employer groups) than any other dental benefits provider. Delta Dental is a registered mark of Delta Dental Plans Association. Delta Dental of Minnesota is an independent nonprofit dental services company and is an authorized licensee of the Delta Dental Plans Association of Oak Brook, Illinois. For more information, visit www.deltadentalmn.org.

NEA, the Recognized Leader in Electronic Attachments and Internet-based solutions for the health-care industry, offers systems designed to make insurance submissions and processing as easy as possible for the patient, the provider and the Payor. For more information on how to use the NEA *FastAttach* system, visit the NEA Web site at www.welcometonea.com
